Re: Wellness Coordination Rates

Date: February 7, 2014

The Indiana Family and Social Services Administration's Division of Disability and Rehabilitative Services has posted to the [Bureau of Developmental Disabilities Services' webpage](#), under Information for Providers, a revised Medicaid Waiver Services, Codes and Rates chart, which now includes the newly added Wellness Coordination services.

The new rate chart provides the billing codes and monthly reimbursement rates for each tier of the Wellness Coordination services, as described within the recently approved 5th Amendment to the Community Integration and Habilitation Waiver (CIHW), IN.0378.R02.05.

Questions regarding the amendments or the wavier program should be directed to BQIS.Help@FSSA.IN.gov.
